

Let's Reflect!

Storyboard Reflection

As you watch the video, write down events that you hear discussed in the boxes below. If the event is happening during the war, write it there. If it is after the war, write in that box. If it is something that is happening now or recently, write in the "Happening Now" box.

During the War

After the War

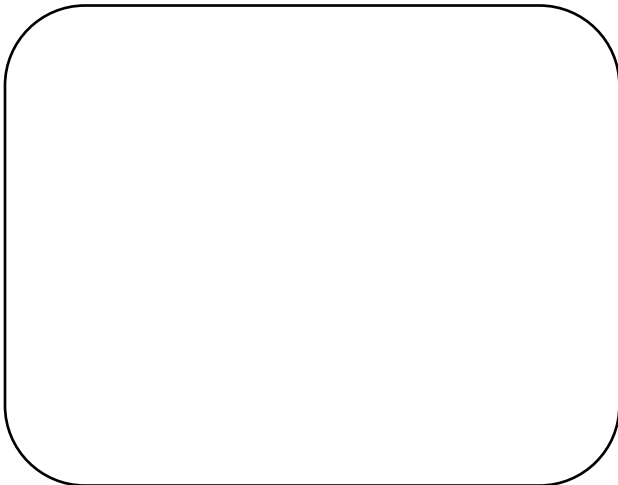

Happening Now

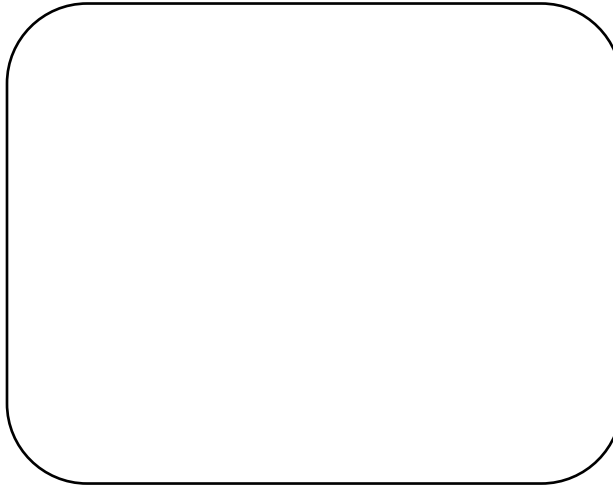

After you have completed the section above, look at what you wrote above, and create a sketch below that illustrates what you "collected."

During the War

After the War

Happening Now
